**ORDER**

We have reviewed Defendant Warrick's pending motions, filed April 4, 2014. Defendant's Motion for Leave to File Under Seal is granted (Dkt. No. 83).

We also grant Defendant's unopposed motion requesting a continuance of the trial set for April 29, 2014 (Dkt. No. 82). Defendant filed a Waiver of Speedy Trial (Dkt. No. 85), and he consents to continuance of the trial until a later date. Accordingly, the April 29, 2014 trial date is stricken, along with all deadlines for the filing of pretrial materials.

A preliminary pretrial conference will be held on Monday, April 28, 2014 at 9:30 a.m. At the conference, we will set a new trial date.
